AMENDMENT TO TRY CONTESTS IN THE COURTS FAVERED

Majority Members, Disgusted at Showing Made in Unseating of Four Representatives, Endorse Tharp Measure.

(State Capital Bureau of Evening Herald, 51 De Vargas Hotel.)

Santa Fe, N. M., Feb. 3.—Representative Tharp of Curry county is receiving assurances of support from many members of the house for his constitutional amendment resolution which provides that legislative contests shall be adjudicated in the courts.

Many members of the house have expressed disgust with the contest proceedings in this session and a desire to end them permanently if it is possible to do so. No doubt is expressed by anyone that the constitutional amendment would be adopted should it be submitted to the people.

The member of the majority in the house today, expressing strong approval of the amendment, said he was absolutely certain that a majority of the members of the house came to Santa Fe prepared to act independently and without party bias for the best interests of the state, but that the bringing up of the contests and the vigorous use of the party whip had served to distract and unseat the membership and to so irritate not only the members of the minority but many members of the majority as well as to place personal feelings before the public good. He, for one, said that he would work for the passage of the resolution and he believed that if it could get before the house it would be passed.

ADJUST STATE LAW TO THE FEDERAL RESERVE ACT

One of the Principal Objects of State Bankers' Association in Pressing for New Banking Law Now.

(State Capital Bureau of Evening Herald, 51 De Vargas Hotel.)

Santa Fe, N. M., Feb. 3.—The legislative committee of the State Bankers' association continued in session here last night and today, holding a meeting this morning with the finance committee of the senate and house of representatives. The bankers are pressing for legislation similar to that proposed in the last legislative session, when their measure was presented as House Bill No. 24, which failed to pass. The provisions of the present bill which the finance committees are now considering are practically the same as those of last session's bill except that the re-written law is adjusted to meet the conditions imposed by the federal reserve banking act, an adjustment which the bankers declare is essential and not subject to delay. Under our present law a banking corporation may not hold stock in more than one national bank. This is in direct opposition to the federal reserve act, which requires each national bank to hold stock in the reserve bank. These adjustments, however, are largely mechanical and the main objects of the bill are to fix a more rigid system of requirements for the establishment, organization, management and inspection of state banks and the creation of the separate office of state bank examiner.

We are here as representatives of the State Bankers' association merely to present the views of the association to the legislature," said J. B. Herndon of Albuquerque today. "The bill which we propose is essentially the same as that offered in the last legislature and which failed of passage, except for additional provisions and adjustments to make the law harmonize and co-ordinate with the federal reserve bank law. At the conference this morning the whole matter was laid before the finance committee to which the bill will be referred."

Mrs. Blakemore, 216 S. Army St., Albuquerque, says: "I know I needed a kidney medicine as my back ached and I had other kidney ailments. I used one box of Dean's Kidney Pills and have never needed any kidney medicine since. My relatives have also used Dean's Kidney Pills with the most satisfactory results."

Mrs. Blakemore is only one of many Albuquerque people who have gratefully endorsed Dean's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Dean's Kidney Pills, the same that Mrs. Blakemore had—the remedy backed by home testimony. 50¢ at all stores. Postier-Milburn Co., Pueblo, Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

BEARD IN ALBUQUERQUE.

How Bad Backs Have Been Made Strong—Kidney Pills Corrected.

All over Albuquerque you hear it. Dean's Kidney Pills are keeping up the good work. Albuquerque people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townspeople. They tell it for the benefit of those who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful, weak and off color, use Dean's Kidney Pills, the remedy that has helped so many of your friends and neighbors. Follow this Albuquerque citizen's advice and give Dean's a chance to do the same for you.

Mrs. Thomas Blakemore, 216 S. Army St., Albuquerque, says: "I know I needed a kidney medicine as my back ached and I had other kidney ailments. I used one box of Dean's Kidney Pills and have never needed any kidney medicine since. My relatives have also used Dean's Kidney Pills with the most satisfactory results."

LOAN COMMISSIONERS CONSIDER BOND ISSUE

(State Capital Bureau of Evening Herald, 51 De Vargas Hotel.)

Santa Fe, N. M., Feb. 3.—The state board of loan commissioners held a meeting in the office of State Treasurer Marion this morning for the consideration of the issuance of bonds to care for over-payment made by certain counties in 1911 and for the payment which bonds were authorized to be issued in 1912. A number of other matters in connection with state and county bond issues were considered.

BUSINESS DISTRICT OF ESTANCIA FLOODED

(State Capital Bureau of Evening Herald, 51 De Vargas Hotel.)

Santa Fe, N. M., Feb. 3.—The frozen condition of the ground here prevented the draining away of heavy rains which fell Sunday and today the business district of the city is flooded. As yet no damage has been done to buildings or stores, but there is much inconvenience, as the center of the town is impassable to pedestrians.

A sharp freeze has set in and it is likely that the whole district will soon be one large skating rink.

COUNTY UNIT TAX FOR SCHOOLS IS PROPOSED

Hinkle Introduces Bill Along Lines Recommended by National Department of Education Expert.

(State Capital Bureau of Evening Herald, 51 De Vargas Hotel.)

Santa Fe, N. M., Feb. 3.—Senator Hinkle of Chaves county will introduce in the senate this afternoon a bill providing for the establishment of the municipal school tax and of the school district tax, and making one general levy against all property in the county to be apportioned among the several school districts according to their needs.

The measure is inspired largely by the serious condition in the cities of the state, where in practically every case the limit for school purposes of 23 mills has been reached.

The county unit system has been adopted by eighteen of the state and has worked very satisfactorily. Mr. Pugh, the rural school expert, when here recently, urged the adoption of the county unit levy plan in New Mexico. Mr. Hinkle shows that by this plan the school tax in Roswell, for instance, would be reduced three mills, while the amount of money available for school purposes in that city would increase from \$42,000 to \$44,000 a year upon the new basis of assessment.

It is not proposed to disturb the law relative to special levies but to fix a maximum of 23 mills instead of 23 as at present, and to place the county levy with a maximum of 12 to 15 mills. Thus, in Albuquerque, for instance, a special levy of five mills could be made, if necessary, and still save the taxpayers three mills over the present levy. The measure is considered a sound one economically and Mr. Hinkle is encouraged to advocate its passage now chiefly because of the overtaxed condition of all of the incorporated cities and towns of the state. A table prepared by State Superintendent White shows that the plan would work to the advantage of every city in the state and at the same time would mean effective school work for seven months in every school district in the state.

There are many school districts in New Mexico at present in which no school levy whatever is made except a general mill levy of three mills.

REP. HOLLAND IS CALLED HOME BY DEATH OF RELATIVE

(State Capital Bureau of Evening Herald, 51 De Vargas Hotel.)

Santa Fe, N. M., Feb. 3.—Representative J. M. Holland of Grant county left last night for his home, called there by a telegram announcing the sudden death of his brother-in-law, Bernard Miller of Gila, Grant county. No details were given. Mr. Holland has been excused from the house for a week.

DEFENSE SATISFIED WITH LA VETA JURY FOR THE FIFTH TIME

Pueblo, Colo., Feb. 3.—For the fifth time, lawyers for the defense in the La Veta murder trial waived today, announcing the jury then in the box to be satisfactory. The state still dissatisfied with the jury, it is apparent. Six talesmen were examined up in afternoon.

MAY SEE EXPOSITION IN LIEU OF SUMMER INSTITUTE OR NORMAL

(State Capital Bureau of Evening Herald, 51 De Vargas Hotel.)

Santa Fe, N. M., Feb. 3.—The state board of education at its session this morning passed a resolution providing that six days' attendance of either of the Pacific coast expositions, properly certified to the state superintendent of education be accepted in lieu of institute or normal school attendance. It was recommended, although not made mandatory, that the required six days be spent at the San Francisco exposition in August during the convention of the National Educational association.

The board this morning passed a resolution appointing a special committee of which Dr. David Ross Boyd is a member, to fix standards for the acceptance of university graduates for certification as teachers.

BACA RELEASED ON BOND OF \$7,000 ON HABEAS CORPUS WRIT

El Paso, Tex., Feb. 3.—Habex corpus proceedings yesterday resulted in freeing Elfrida Baca under bond of \$7,000, which her furnishers, Baca was charged with the murder of Celestino Otero and had been indicted at his own request in order to hasten proceedings.

At the hearing the state revealed its plan of prosecution, which will be to show that a conspiracy existed. Ina's testimony was the stellar feature of the hearing. His story was corroborated by his companion at the time of the shooting, Dr. F. R. Romero, and by the crew of a Santa Fe switch engine, eye witness to the affair.

TAKE INDIAN CONVICT TO SEE DYING DAUGHTER

Leavenworth, Kan., Feb. 3.—Joseph Kekes, an Indian prisoner in the federal penitentiary here, left last night for the Bad River Indian reservation, near Ashland, Wis., that he may see his daughter before she dies. Kekes is accompanied by a guard and is traveling at the expense of the government upon an order from Attorney General Gregory. Never before has a man been allowed to leave the prison at the expense of the government, but officials had urged the attorney general to grant the dying girl's wish to see her father.

GRANDMOTHER USED TEA TO DARKEN HAIR

She Mixed Sulphur With It to Restore Color, Gloss, Thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added will turn gray, streaked and faded hair beautifully dark and lustrous, remove every bit of dandruff, stop scalp itching and falling hair.

Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Hair Tonic," thus avoiding a lot of mussing.

White, wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness.

By darkening your hair with Wyeth's Sage and Sulphur No one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application of two, your hair becomes beautifully dark, glossy, soft and luxuriant.

DRIVES AWAY HEADACHE

A headache remedy without the dangers of "headache medicines." Refuses headache and that miserable feeling from cold or congestion. And it acts at once! MUSTEROLE is a clean, white ointment made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can affect stomach and heart, as some internal medicines do.

Best for sore Throat, Bronchitis, Croup, Stiff Neck, Asthma, Neuralgia, Convulsions, Pleurisy, Rheumatism, Lameness, all Pains and Aches of the Back and Joints, Sprains, Sore Muscles, Bruises, Chilblains, Frosted Feet, Colds of the Chest (it often prevents Pneumonia).

At your druggist's in 25¢ and 50¢ jars, and a special large hospital size for \$2.50.

Be sure you get the genuine MUSTEROLE. Refuse imitations—get what you ask for. The Musterole Company, Cleveland, Ohio.
